OBJECTIVE

Dynamic American Fund seeks to achieve long-term capital growth by investing primarily in equity securities of United States based businesses. Before a fundamental change is made to the investment objective of the Fund, the prior approval of unitholders is required. This approval must be given by a resolution passed by a majority of the votes cast at a meeting of unitholders.

Past performance is no guarantee of future performance. All returns are historical annual compounded total rates of return and reflect changes in yield and distributions reinvested. Managed Indexed, Managed Portfolios and Market Indexed accounts credit an interest amount mirroring the net rate of return of a specified underlying investment, less a BMO Life Assurance Company daily management fee. These rates of return do not reflect the current BMO Life Assurance Company management /universal life fee which must be taken into consideration when determining the net return earned on the account.
