**OBJECTIVE**

This fund's objective is to provide a balance between income and long-term capital growth while diversifying risk by investing in income and equity mutual funds. Any change to the fundamental investment objective must be approved by a majority of votes cast at a meeting of unitholders held for that reason.

Past performance is no guarantee of future performance. All returns are historical annual compounded total rates of return and reflect changes in yield and distributions reinvested. Managed Indexed, Managed Portfolios and Market Indexed accounts credit an interest amount mirroring the net rate of return of a specified underlying investment, less a BMO Life Assurance Company daily management fee. These rates of return do not reflect the current BMO Life Assurance Company management /universal life fee which must be taken into consideration when determining the net return earned on the account.
