OBJECTIVE

This fund's objective is to preserve the value of your investment and, to a lesser extent, provide some potential for growth by investing primarily in exchange traded funds that invest in Canadian, U.S. and international fixed income and equity securities. The fund may also invest in other mutual funds or invest directly in individual fixed income and equity securities and cash or cash equivalents.

Past performance is no guarantee of future performance. All returns are historical annual compounded total rates of return and reflect changes in yield and distributions reinvested. Managed Indexed, Managed Portfolios and Market Indexed accounts credit an interest amount mirroring the net rate of return of a specified underlying investment, less a BMO Life Assurance Company daily management fee. These rates of return do not reflect the current BMO Life Assurance Company management /universal life fee which must be taken into consideration when determining the net return earned on the account.
