OBJECTIVE

BMO Aggregate Bond Index ETF has been designed to replicate, to the extent possible, the performance of the FTSE Canada Universe Bond Index™, net of expenses. The Fund invests in a variety of debt securities primarily with a term to maturity greater than one year. Securities held in the Index are a broad measure of the Canadian investment-grade fixed income market consisting of Federal, Provincial and Corporate bonds.

Past performance is no guarantee of future performance. All returns are historical annual compounded total rates of return and reflect changes in yield and distributions reinvested. Managed Indexed, Managed Portfolios and Market Indexed accounts credit an interest amount mirroring the net rate of return of a specified underlying investment, less a BMO Life Assurance Company daily management fee. These rates of return do not reflect the current BMO Life Assurance Company management /universal life fee which must be taken into consideration when determining the net return earned on the account.
