OBJECTIVE

This fund's objective is to provide above-average growth in the value of your investment over the long term by investing in small and mid-sized Canadian companies. The fundamental investment objectives may only be changed with the approval of a majority of the votes cast at a meeting of unitholders called for that purpose.

Past performance is no guarantee of future performance. All returns are historical annual compounded total rates of return and reflect changes in yield and distributions reinvested. Managed Indexed, Managed Portfolios and Market Indexed accounts credit an interest amount mirroring the net rate of return of a specified underlying investment, less a BMO Life Assurance Company daily management fee. These rates of return do not reflect the current BMO Life Assurance Company management /universal life fee which must be taken into consideration when determining the net return earned on the account.
